01 Student Information & Management System (SIS)

4 Sub-Modules • 27 Features

• Student Directory & Master Records

- Student Directory with Live Search & Multi-Column Filtering (Class, Section, Session, Status, Gender, Blood Group)
- Student 360° Comprehensive Profile View (Academic, Personal, Guardian, Transport, Fees, Documents, Attendance)
- Add New Student (Multi-Tab Detailed Admission Form with Guardian & Address Coordinates)
- Edit Student Master Information
- Student Active / Inactive Status Toggle
- Single Student Record Deletion
- Bulk Student Deletion with Security Confirmation
- Soft-Deleted Student Restoration Mechanism

• Admissions & Onboarding

- Detailed Student Admission Form PDF Generation & Download
- New Admission Analytics & Intake Report
- Bulk Student CSV/Excel Data Import Engine with Validation
- Sample Student Import Spreadsheet Template Download
- Bulk Student Photo & Document ZIP Archive Upload & Auto-Extraction
- Bulk Admission Number Auto-Assignment & Sequence Formatter

• Academic Allocations & Operations

- Student Optional Subject Allocation & Class-Wise Mapping
- Student Academic Promotion & Year-End Session Migration
- Siblings List Tracking & Automatic Family Linkage
- Co-Curricular Activities (CCA) Records & Achievement Logging
- Student Discipline Log, Incident Tracking & Action Notes
- Parent-Teacher Meeting (PTM) Log & Feedback Documentation
- Bulk Student Multi-Field Data Editor & Batch Updater

• Governance, Access & Documents

- Student Deletion Request Submission Workflow
- Student Deletion Requests Approval & Rejection Management
- Student App Settings & Mobile Login Credential Configuration
- Student Certificate & Document Issuance Engine
- Bulk Student Document Issuance Workflow
- Student Document Viewer & File Downloader

• Staff Directory & Profiles

- Staff Directory with Department, Designation & Status Filters
- Staff 360° Profile View (Personal, Qualifications, Payroll, Bank Credentials, Documents)
- Add New Staff Member (Multi-Section Registration Form)
- Edit Staff Record & Employment Details
- Staff Record Deletion
- Staff Login Access Management & Password Reset Tool
- Staff Profile Summary Document Download

• Bulk Staff Operations

- Bulk Staff Data CSV/Excel Import Engine
- Staff Import Spreadsheet Template Download
- Bulk Staff Photo Upload Archive
- Bulk Staff Multi-Field Data Editor

• Staff Exports & Document Repository

- Export Staff Directory (Microsoft Excel Format)
- Export Staff Directory (Printable PDF Format)
- Staff Document Upload & Verification Repository

• Student Attendance

- Daily Class & Section-Wise Student Attendance Marking
- Multi-Status Marking (Present, Absent, Late, Half-Day, Holiday)
- Bulk Student Attendance CSV Import
- Slider-Based Quick Bulk Attendance Interface
- Student Attendance Marking Compliance Report
- Daily Class Attendance Summary & Statistics View
- Monthly Student Attendance Register & Percentage Analytics
- Student Attendance Reports Export (PDF & Excel)

• Staff Attendance

- Daily Staff Attendance Register Marking
- Mobile GPS Geofenced Self-Punch-in & Punch-out Verification
- Bulk Staff Attendance Marking Interface
- Slider-Based Quick Staff Attendance Marking
- Monthly Staff Attendance Summary & Working Hours Register
- Staff Attendance Reports Export (PDF & Excel)

• Class Timetable

- Interactive Weekly Class Timetable Matrix Generator
- Period-by-Period Subject & Teacher Assignment
- Real-Time Teacher Conflict & Overlap Detection
- Copy / Duplicate Timetable Cell to Other Days
- Delete / Clear Timetable Cell
- Class Timetable Printable PDF Download

• Group & Teacher Timetables

- Timetable Groups Master Setup (Primary, Middle, Senior Wings)
- Group-Wise Consolidated Timetable View
- Teacher-Wise Master Timetable View & Schedule Inspector
- Teacher Timetable Individual PDF Download

• Teacher Substitution & Reliever Allocation

- Daily Absentee Teacher Tracking & Period Gap Analysis
- Dynamic Teacher Substitution / Reliever Period Assignment
- Teacher Substitution History & Workload Balancing Log
- Delete / Cancel Substitution Assignment

• Classes & Sections Management

- Class Overview Dashboard with Student Strength Counts
- Add New School Class
- Edit & Update Class Details
- Delete School Class
- Class Display Order & Sequence Reordering
- Add & Manage Sections per Class
- Assign Class Teacher to Section
- Class Configuration Audit Logs

• Subjects Management

- Add New Subject
- Edit Subject Details & Codes
- Delete Subject
- Subject Type Classification (Theory, Practical, Optional)
- Subject Display Order Reordering
- Subject Allocation Audit Logs

• Teacher Assignment Matrix

- Assign Teachers to Specific Classes, Sections & Subjects
- Interactive Teacher Assignment Grid View
- Export Teacher Assignment Template (Excel)
- Import Teacher Assignments via Excel/CSV
- Teacher Allocation Change History Logs

• Fee Setup & Configuration

- Global Fee Collection Rules & Settings Configuration
- Fee Categories Master (Tuition, Admission, Transport, Lab, Sports, Exam)
- Fee Types & Fee Heads Setup
- Fee Concession & Scholarship Slabs Setup
- Late Fee & Fine Calculation Policy Rules
- Fee Discount Heads Management
- Student Class & Fee Schedule Mapper

• Class & Student Fee Structuring

- Class-Wise Fee Structure Definition & Installment Amounts
- Copy Fee Structure Across Classes
- Student-Wise Custom Fee Allocation & Exemption Overrides
- Optional Fee Component Mapping (Transport, Hostel, Mess, Activities)
- Bulk Fee Data Import Spreadsheet Engine

• Fee Collection & Invoicing

- Real-Time Point-of-Sale (POS) Fee Collection Counter
- Multi-Mode Payment Acceptance (Cash, UPI, Cheque, Demand Draft, Bank Transfer, Online)
- Partial Payment, Installment & Advance Fee Handling
- Automated Fee Receipt Generation with Auto-Sequenced Receipt Numbers
- Thermal POS Receipt Slip Printing (80mm Format)
- Standard Formal Fee Invoice Printing
- Alternative Minimal Fee Invoice Layout (Invoice 1)
- Student Fee Refund Processing & Debit Logging

• Cheque Clearing & Account Ledgers

- Pending Cheques Register & Status Tracker
- Cheque Realization & Bank Clearance Workflow
- Cheque Dishonor / Bounce Handling & Fee Reversal
- Online Payment Link Generator for Parents
- Fee Collection Follow-up & Defaulter Reminder Dispatcher
- Student Statement of Account Ledger
- Third-Party Accounting Synchronization (Xero Integration Engine)

• Fee Reports & Defaulter Analytics

- Daily, Monthly & Date-Range Fee Collection Reports
- Class-Wise Fee Collection Summary Report
- Fee Defaulters & Outstanding Balances Master Register
- Fee Head-Wise Realization Breakdown Report
- Fee Reports Export (Printable PDF & CSV Spreadsheets)

• Exam Setup & Scheduling

- Examination Terms Master Setup (Unit Tests, Mid-Term, Half-Yearly, Final Exams)
- Exam Datesheet & Timetable Scheduling per Class
- Grade Scale Master Setup (Marks Range, Letter Grades, Grade Points, Remarks)
- Passing Marks & Subject Weightage Rules Configuration
- Assessment Structure Cloning Across Classes
- Edit Exam Parameters & Schedule Dates

• Marks Entry & Evaluation

- Class-Wise, Section-Wise & Subject-Wise Marks Entry Grid
- Slide-Over Drawer Quick Marks Entry Tool
- Offline Assessment & Practical Marks Recording
- LMS Online Assessment & Test Module
- Marks Lock & Finalization Safeguards
- Teacher Marks Entry Compliance Progress Tracker (PDF & Excel Export)

• Report Cards & Marksheets

- Dynamic Report Card Template Designer (Custom Headers, Signatures, Tables)
- Pre-Built Multi-Board Layouts (CBSE, ICSE, State Board, CCE Standards)
- Student Report Card / Marksheet Generation Engine
- Report Card V2 Modern Visual Progress Layout
- Single Student Marksheet PDF Download
- Class-Wise Bulk Report Cards Batch PDF Printing
- Consolidated Class Tabulation Register & Marksheet Report

• Leave Configuration & Policies

- Leave Basics & Institutional Policy Setup
- Leave Types Master (Casual, Sick, Earned, Maternity, Duty, Academic)
- Role-Based Annual Leave Quotas & Entitlement Allocation
- Staff Leave Balance Ledgers & Cumulative Tracking

• Staff Leave Workflow

- Staff Leave Application Submission Form
- Admin Approval / Rejection Workflow with Review Remarks
- Staff Leave History & Real-Time Balance Status
- Teacher Portal Self-Service Leave Application Tool

• Student Leave Workflow

- Student Leave Application Submission (via Parent or Admin Portal)
- Medical Certificate & Supporting Document Attachment
- Class Teacher / Admin Leave Approval & Rejection Workflow
- Student Leave Policy Settings & Mandatory Declarations
- Student Leave Declaration Rules Management
- Student Leave Applications CSV Data Export

09 Identity Cards, Bus Passes & Admit Cards

2 Sub-Modules • 10 Features

• Card Template Designer

- Visual Card Template Creator (Custom Dimensions, Orientation, Colors, Background)
- Dynamic Variable Fields (Name, Photo, QR Code, Roll No, Class, Blood Group, Guardian Contact)
- Edit Existing Card Templates
- Delete Card Templates

• Card Generation & Batch Printing

- Generate Student Identity Cards (Single & Class-Wise Batch)
- Generate Staff Identity Cards (Single & Department-Wise Batch)
- Generate Transport Bus Passes with Route & Stop Information
- Generate Examination Admit Cards (Hall Tickets) with Schedule Table
- Bulk Card PDF Export & Printing Layout
- Issued Cards Registry & History Deletion

10 Certificate Management System

2 Sub-Modules • 14 Features

• Certificate Template Engine

- Visual Certificate Template Creator (Custom Margins, Borders, Logos, Watermarks)
- Dynamic Merge Tags (Student Name, Parent Name, Admission No, Academic Year, Date)
- Edit & Update Certificate Templates
- Delete Certificate Templates

• Certificate Issuance & Printing

- Transfer Certificate (TC) Generation & Auto-Numbering
- Character Certificate Generation
- Bonafide / Study Certificate Generation
- Date of Birth (DOB) Certificate Generation
- Achievement & Academic Excellence Certificate Generation
- Sports & Extracurricular Certificate Generation
- Class-Wise Student Bulk Certificate Generation
- Issued Certificates Management, Re-Printing & Update Tool
- Certificate Revocation & Deletion
- Certificates Issued Verification Register & Audit Report

• Fleet & Compliance Management

- Transport Configuration & System Basics
- Vehicle Fleet Registry (Buses, Vans, Shuttles)
- Vehicle Details Recording (Registration No, Seating Capacity, Model, GPS Tracker IMEI)
- Vehicle Compliance Documents Vault (RC, Insurance, Fitness, Pollution, Permit)
- Vehicle Document Upload, View, Replace & Download Engine

• Routes, Stops & Scheduling

- Stops & Pickup Stages Setup (Stop Name, Coordinates, Pickup/Drop Timings)
- Route Paths Definition & Multi-Stop Sequencing
- Import / Export Routes via Excel/CSV Spreadsheets
- Import / Export Stops via Excel/CSV Spreadsheets
- Vehicle-to-Route Trip Mapping (Morning & Afternoon Shifts)
- Driver & Bus Conductor Allocation per Route
- Student Bus Stop & Route Allocation Mapping
- Transport Calendar & Route Schedule Export
- Transport Fee Schedules Setup & Management

• Operations & Expense Tracking

- Bus Attendance Tracking (Daily Boarding & De-boarding Logs)
- Vehicle Fuel & Maintenance Expense Logging
- Transport Expense Reports & Vehicle Mileage Summaries

• Library Configuration & Master Setup

- Library Operational Rules & Policy Configuration
- Book Sections & Rack Location Setup
- Book Categories & Genre Classification
- Book Types Definition (Reference Only, Standard Circulation, Periodical)
- Overdue Daily Fine Calculation Engine

• Catalogue & Inventory Management

- Master Book Catalogue Registry (Title, ISBN, Author, Publisher, Edition, Barcode/QR)
- Individual Copy Tracking & Physical Condition Status
- Bulk Books Import via CSV Spreadsheet
- Catalogue Export (CSV)
- Sample Book Import Template Download

• Circulation & Counter Transactions

- Book Issue Workflow for Students & Staff Members
- Book Return Processing & Physical Condition Inspection
- Book Renewal & Due Date Extension Workflow
- Live Member / Borrower Ajax Lookup Tool
- Live Book Barcode & ISBN Ajax Lookup Tool
- Automatic Overdue Fine Assessment & Payment Acceptance
- Library Transaction Slip Printout
- Export Library Circulation Transactions (CSV)

• Library Analytics

- Library Dashboard (Active Loans, Overdue Books, Most Borrowed Titles, Active Members)

13 Digital Diary & Daily Classwork

1 Sub-Modules • 7 Features

• Class Diary Management

- Create Daily Class Diary Entry
- Content Categorization (Homework, Classwork, Teacher Remarks, Next-Day Requirements)
- Target Audience Selection (Class, Section, Specific Subject)
- Supporting Study Material & Document File Upload
- Class Daily Diary Comprehensive Log Report
- Parent Feedback & Diary Acknowledgment Viewer
- Diary File Attachment Preview & Download

14 Events, Holidays & Academic Calendar

1 Sub-Modules • 7 Features

• Calendar & Event Operations

- Academic & Institutional Events Calendar Setup
- School Holiday Master Calendar (National, Cultural, Vacations, Local Leaves)
- Event Categorization (Sports, Cultural, Competitions, Exams, Seminars)
- Event Spreadsheet Template Download
- Bulk Import Events via CSV
- Update, Reschedule & Delete Calendar Events
- Published Calendar Display on Admin, Teacher, Parent & Mobile Portals

15 Institutional Communications & Messaging

4 Sub-Modules • 20 Features

• Circulars & Notices

- Notification Settings & Distribution Channel Configuration
- Create & Publish Official Notice / Circular
- Target Audience Granular Filter (All, Students, Parents, Teachers, Staff, Selected Classes)
- Notice Priority & Expiration Date Controls
- Document & Image Attachment Upload
- AI Notice Template Generator (Automated Prompt-Based Drafting)
- Pre-Defined Notice Templates CRUD Management

• Surveys & Interactive Polls

- Interactive Survey & Poll Creation Engine
- Multi-Question Builder (Single Choice, Multiple Choice, Open Text)
- Audience Group Targeting
- Real-Time Response Tracking & Visual Analytics Breakdown
- Survey Deletion & Archival

• Outbound Broadcast Channels

- Single & Bulk SMS Dispatcher Engine
- Pre-Approved SMS Template Library
- WhatsApp Message Broadcast Tool
- Bulk Email Notification Dispatcher

• Two-Way Portal Live Chat

- Interactive Two-Way Messaging Portal
- Teacher-to-Parent Communication Channels
- Admin-to-Staff Communication Channels
- Real-Time Message Dispatch & Read Receipts

16 Admissions & Lead Management Funnel

3 Sub-Modules • 11 Features

• Admission Pipeline & Settings

- Admissions Multi-Stage Workflow Configuration
- Admission Funnel Analytics Dashboard (Inquiries, Forms, Interviews, Enrolled)
- Admission Settings & Application Form Field Customizer

• Inquiry Leads & Application Tracking

- Enquiry Leads Capture & Management
- Lead Follow-Up Status Logging (New, Contacted, Interested, Enrolled, Dropped)
- Application Form Processing & Registration Fee Collection
- Pending Documents Verification Checklist

• Evaluation & Enrollment

- Applicant Interview, Interaction & Evaluation Scoring
- Direct Admission Confirmation & Permanent Student ID Generation
- New Admissions Intake & Demographic Analysis Report
- Admission Counselor Daily Follow-Up Task Planner

17 Front Desk & Visitor Management

2 Sub-Modules • 12 Features

• Visitor Check-In & Badges

- Visitor Registration Form (Name, Phone, Purpose, Staff Host, Photo, ID Proof)
- Fast Returning Visitor Phone Number Ajax Lookup
- Public Contactless QR-Code Self-Registration Kiosk
- Instant Printable Visitor Pass / Badge Generation
- Real-Time Visitor Check-In Logging
- Barcode & Pass QR-Code Scanner Lookup
- Visitor Check-Out Processing & Duration Tracking

• Visitor Requests & Reports

- Advance Visitor Meeting Requests Submission
- Host Staff Appointment Approval & Rejection Workflow
- Daily In-Out Visitor Log Report
- Consolidated Visitor History Analytics Report
- Vendor Registration & Vendor Visits Summary Report

• Inventory Setup & Stock Catalog

- Inventory Categories Management
- Product Catalog & Master Stock Registry (Item Name, SKU, Units, Unit Price)
- Quick Category Creation Ajax Tool
- Product Active / Inactive Status Toggle

• Store POS Billing & Stock Movements

- Stock Inward & Inventory Quantity Adjustments
- Store Point-of-Sale (POS) Billing Counter
- Item Issuance to Staff & Departments
- Item Sales to Enrolled Students
- Live Product & Student Account Search
- POS Store Sale Receipt Printing

• History & Supplier Payments

- Store Sales & Dispatches History Register
- Sale Transaction Cancellation & Stock Restoral
- Export Sales Data (Microsoft Excel)
- Detailed Stock Movement Audit Log
- Vendor & Supplier Payment History Tracking

• Salary Structuring & Configuration

- Salary Structure Master Templates Setup
- Earnings Components Configuration (Basic, HRA, DA, Special Allowances)
- Deductions Components Configuration (PF, ESI, TDS, Professional Tax, Loans)
- Staff Deduction Rules Settings
- Assign Salary Structure to Individual Staff Members
- Quick-Apply Salary Structure to Entire Departments

• Attendance Sync & Payroll Run

- Monthly Payroll Attendance Register
- Biometric & Punch-in Attendance Synchronization
- Freeze Attendance Register Safeguard
- Recalculate Monthly Payroll Attendance
- Export Payroll Attendance (Excel & PDF)
- Batch Monthly Salary / Payroll Generation
- Salary Processing & Finalized Payroll List
- Delete Unfinalized Payroll Runs

• Salary Disbursement & Payslips

- Salary Payment Recording (Cash, Direct Bank Transfer, Cheque)
- Deposit & Advance Amount Recording
- Automated Monthly Employee Payslip Generation
- Single Employee Payslip PDF Download
- Bulk Payslips PDF Export
- Staff Individual Payroll Account Statement & Ledger
- Consolidated Payroll Register PDF Export

• Expense Management

- Chart of Accounts: Expense Heads Master
- Daily Direct Expense Entry
- Date-Wise Expense Vouchers Register
- Account-Wise Expense Vouchers Register
- Expense Voucher Payment Records & Approvals
- Account Transfers (Inter-Account Fund Movements)
- Bank Accounts Management for Transfers
- Expense Summary & Head-Wise Breakdown Reports
- Print All Expense Vouchers

• Income Management

- Revenue Heads & Income Categories Master
- Daily Direct Income Entry
- Date-Wise Income Vouchers Register
- Account-Wise Income Vouchers Register
- Payer Search & Direct Revenue Receipting
- Cash Drawer & Daily Counter Cash Reconciliation
- Comprehensive Income Summary Reports
- Print All Income Vouchers

• Account Books & Statements

- Trial Balance Statement (with Excel Export)
- Profit & Loss Account Statement (with Excel Export)
- Balance Sheet Statement (with Excel Export)
- General Ledger Report (with Excel Export)

• Student Gatepass

- Student Out-Pass Issuance (Reason, Authorized Parent/Guardian, Departure Time)
- Security Gate Check-Out Verification & Status Update
- Expected Return vs Actual Return Logging
- Student Gatepass Printable PDF Generation
- Student Gatepass History Register & Security Audit Logs

• Staff Gatepass

- Staff Duty & Personal Out-Pass Issuance
- Management Approval & Status Tracking
- Staff Gatepass Printable PDF Generation
- Staff Gatepass History & Monthly Out-Pass Summary

• Task Configuration

- Daily Task Heads Master (Hygiene, Reading, Exercise, Values, General)
- Daily Task Question Setup with Scoring Points
- Question-to-Class & Section Allocation Mapping
- Contextual Daily Question Retrieval Engine

• Review & Reports

- Teacher Review & Student Task Scoring Interface
- Student Daily Submissions Verification
- Class-Wise Daily Task Evaluation Analytics Report
- Daily Task Report Export (PDF & Excel Spreadsheets)

23 Centralized Reports & Analytics Engine

1 Sub-Modules • 9 Features

• Master Reports Hub

- Consolidated Executive Reports Portal
- Student Demographic & Academic Profile Report
- Student Daily & Monthly Attendance Analytical Reports
- Siblings Linkage & Family Discount Analysis Report
- Fee Collection, Realization & Due Balances Reports (PDF & CSV)
- Consolidated Institutional Income Report (PDF & CSV)
- Consolidated Institutional Expense Report (PDF & CSV)
- Teacher Marks Entry Compliance Report (PDF & Excel)
- Dynamic Custom Reports Builder Engine with PDF Export

24 Media & Event Gallery

1 Sub-Modules • 5 Features

• Gallery & Accolades

- Create & Publish School Event Photo Albums
- High-Resolution Event Image Upload & Gallery Showcase
- Institutional Achievements & Accolades Publishing
- Album Editing, Image Management & Deletion
- Public & Portal Media Visibility Controls

25 Institutional AI Assistant

1 Sub-Modules • 6 Features

• AI Configuration & Workspace

- AI Model Selection, API Key & Token Parameter Settings
- School Context & Custom Knowledge Base Prompt Tuning
- Role-Based AI Assistant Access Permissions
- Interactive AI Chat Interface for Admin & Staff
- Automated Notice & Circular Drafting Tool
- ERP Query & Data Retrieval Assistant

26 Download Statistics & Activity Monitoring

2 Sub-Modules • 6 Features

• Download Statistics

- Student Portal Document Download Tracking & Counts
- Staff Portal Document Download Tracking & Counts
- Parent Portal Document Download Tracking & Counts

• User Activity Tracking

- Student Portal Login & Action Activity Logs
- Staff Portal Login & Action Activity Logs
- Parent Portal Login & Action Activity Logs

• Mobile App Configuration

- Mobile App Settings & API Secret Key Generation
- Firebase Cloud Messaging (FCM) Integration Settings
- In-App Promotional Banners & Image Sliders Management
- Banner Status Toggles & Navigation Route Linkage

• Push Notifications

- Broadcast Push Notification Dispatcher
- Role-Based Target Audience Filtering (Parents, Teachers, Drivers, All)
- Device Ping & Test Push Delivery Verification
- Notification History & Transmission Delivery Logs

• Feature Visibility Control

- Dynamic Feature Visibility Matrix per Channel (Web vs Mobile)
- Role-Specific Feature Toggles (Student, Parent, Teacher, Staff, Admin)
- One-Click Feature Visibility Preset Application

• Institutional Profile & Setup

- Basic Institute Profile Information (Name, Code, Affiliation, Logo, Address, Contact)
- School Operational Timings & Shift Hours Configuration
- Student House Master Setup
- Student Groups Master Setup
- Social Media Accounts Linkage
- UDISE Institutional Data Configuration
- ERP Implementation Process & Milestone Progress Tracker
- Academic Session Master & Active Session Switching Tool
- Multi-Branch Configuration & Instant Branch Switcher

• Access Control & Roles

- Spatie Role Categories Master
- Fine-Grained Module & Sub-Module Permissions Matrix
- Designations Master Management
- Departments Master Management
- Staff Access Control (Per-Staff Feature Exception Overrides)
- Bulk Role & Access Permissions Assignment Tool

• Security & Navigation

- Administrative Password Reset Tool
- Multi-Tenant Tenant Isolation Security Architecture
- Topbar Global Real-Time Search Tool

• Teacher Workspace

- Teacher Interactive Dashboard
- Assigned Classes, Sections & Subject Allocations Overview
- Today's Class Periods & Room Schedule Widget
- Quick Class Attendance Marking Shortcut
- Quick Examination Marks Entry Shortcut

• Academic Operations

- Class Assignments Management (Create, Edit, Delete, View Submissions)
- Study Materials & Reference Notes Upload (PDFs, Documents, PPTs)
- Digital Class Diary Posting & Homework Dispatch
- Teacher Personal Weekly Timetable View

• Personnel & Notifications

- Teacher Leave Application Submission Tool
- Teacher Leave History & Approval Status Tracking
- School Notices & Circulars Reader
- Teacher Notifications Inbox with Mark-as-Read Actions
- Teacher Profile Details & Avatar Picture Update
- Teacher Account Password Change

• Multi-Child Management

- Multi-Child Switcher (Seamless toggling between enrolled siblings)
- Child 360° Academic Dashboard Overview
- Child Detailed Profile & Enrolled Record View

• Academics & Daily Records

- Daily Attendance Record & Monthly Attendance Calendar View
- Weekly Class Timetable & Teacher Schedule
- Digital Class Diary & Daily Homework Assignments Reader
- Download Center (Study Notes, Syllabus, Reference Materials)
- Daily Tasks & Student Journal Questionnaire Completion

• Fees & Financials

- Child Fee Invoices & Installment Schedules
- Instant Online Fee Payment Checkout
- Payment Receipts History & Printable PDF Download
- Pending Fee Dues & Late Fine Breakdown

• Exams, Documents & Communication

- Examination Datesheets & Timetable Schedule View
- Student Report Cards & Progress Marksheets Download
- Student Identity Card & Exam Admit Card View & Download
- Issued School Certificates Download Vault
- School Notices, Circulars & Announcements Reader
- Interactive School Surveys & Voting Polls Participation
- Parent Leave Request Submission (Apply for child's leave)
- Two-Way Live Interactive Chat with Class Teachers
- School Events & Holiday Calendar

• Multi-Tenancy & School Management

- SuperAdmin Executive Multi-Tenant Dashboard
- Tenant Schools Registry (Create, View, Edit, Suspend, Activate)
- Custom Domain Mapping & Subdomain DNS Routing
- Inbound School Registration Requests Review & Approval Workflow
- SuperAdmin Impersonation Mode (Instant school login without password)
- Tenant Database Optimization & Cleanup Utility
- School Data Reset & Snapshot Backup Restore Tool
- Inactive Students Master Cleanup & Permanent Purge Tool

• SaaS Plans, Subscriptions & Billing

- Tiered SaaS Subscription Plans Master Setup (Pricing, Student Limits, Features)
- Subscription Orders Register & Invoicing Records
- Manual Subscription Validity Extension & Renewal Tool
- Plan Upgrade, Downgrade & Cancellation Management

• Infrastructure & Gateway Settings

- Payment Gateways Integration Setup (Stripe, Razorpay, PayPal, Bank Transfers)
- SMS Gateways Integration Setup (Twilio, Fast2SMS, MSG91, Custom HTTP)
- WhatsApp Business API Gateway Configuration
- Platform-Wide AI Gateway Settings (OpenAI, Anthropic, Gemini API Keys)
- Platform White-Label & Global Branding (Platform Name, Logo, Favicon, SEO)
- System-Wide Notification Types & Template Definitions
- Dynamic Menu Manager & Platform Module Visibility Registry
- Platform Audit Logs & Administrative Security Trail

• Platform CMS & Public Engagement

- Blog & Article CMS Engine (Create, Edit, Publish Articles)
- Demo Booking Requests Management & Sales Pipeline
- Platform Onboarding Website QR Code Generator
- SuperAdmin Account Profile & Security Settings

• Mobile Identity & Authentication

- Universal Mobile API Authentication (Staff, Parent, Driver)
- Mobile OTP Dispatch & Instant Verification API
- Biometric / Face Recognition Login & Vector Enrollment API
- Mobile Device FCM Token Registration & Push Routing API
- Dynamic Feature Flags & Mobile Visibility Matrix API

• Parent Mobile App APIs

- Children Roster & Individual Profiles API
- Real-Time Student Attendance History API
- Fee Ledger, Invoices & Receipt Download APIs
- Weekly Class Timetable API
- Digital Class Diary & Homework Feeds API
- Student Leave Request Submission API
- Examination Datesheets & Report Card PDFs API
- Transport Route & Bus Stop Information API
- School Circulars, Notices & In-App Chat APIs

• Staff & Driver Mobile App APIs

- Staff Self-Attendance GPS Geofenced Punch-in/Punch-out API
- Teacher Student Attendance Marking API
- Student Directory Lookup API
- Driver Authentication & Vehicle Trip Manifest API

• Public Marketing Web Presence

- ERP Official Homepage & Value Proposition
- Product Software Overview & Architecture Tour
- Feature Showcase & Functional Capabilities
- ERP Resources & Knowledge Base
- About Us & Institutional Mission
- Contact Us & Public Inquiry Form

• Public Self-Service Kiosks

- Online Interactive Demo Booking Request Engine
- School Tenant Self-Registration Portal
- Contactless Public QR-Code Visitor Self-Pass Kiosk
